Sponsorship Opportunities

East Haddam Youth & Family Services (EHYFS) is a private, non-profit agency that was started by a small group of high school students and adults working together to provide services for young people in our community. That history of building partnerships continues to be the foundation for the work we do today. EHYFS works collaboratively with our town government, school system, local and state police, civic and faith organizations, parent groups, youth and adults and several regional and state agencies. We are committed to offering programs and services at little or no charge so that cost does not prevent anyone from being able to participate.

2018 Sponsorship Opportunities

In 2017, the rain didn't dampen the fun at the 2nd annual Ride or Stride. With three bike routes to choose, a 5K, lunch, and fabulous prizes, the event went off in spite of the dismal weather (for the second year in a row).

In 2018, our goals are to continue to:

- Provide a fun and inclusive event that brings community members together.
- Double past participation to 175 people.
- Raise \$5,000 to continue to provide services to East Haddam's youth.

This event is fully organized and staffed by volunteers.

Thank you for your support!
